

KAVYA

Medical Laboratory Technician

kavya@email.com | +91 97654 32109 | Bengaluru, Karnataka

Reg. No: MLT-KA-20456 | Available: Immediately

PROFESSIONAL SUMMARY

Dedicated and detail-oriented Medical Laboratory Technician with 3+ years of hands-on experience in clinical diagnostics, pathology, and medical testing in hospital settings. Proficient in haematology, biochemistry, microbiology, and blood bank operations. Committed to accuracy, patient safety, and turnaround time in high-pressure environments.

WORK EXPERIENCE

Medical Laboratory Technician

Manipal Hospital, Bengaluru | Aug 2022 – Present

- Performed 100+ diagnostic tests daily including CBC, LFT, KFT, lipid profiles, and urine analysis.
- Operated and maintained automated analyzers: Sysmex XN-1000 (Haematology) and Cobas 6000 (Biochemistry).
- Prepared and processed blood, urine, stool, and sputum samples following strict SOP protocols.
- Conducted blood grouping, cross-matching, and issued blood components from the blood bank.
- Ensured quality control (QC) compliance and maintained daily QC logs for all instruments.
- Coordinated with doctors and nursing staff for urgent/STAT test reporting.
- Maintained sterile laboratory conditions as per NABL and NABH accreditation standards.

Junior Lab Technician (Internship)

Apollo Clinic, Bengaluru | Jan 2022 – Jul 2022

- Assisted senior technicians in sample collection, processing, and routine diagnostic testing.
- Performed basic haematology and urine routine tests under supervision.
- Maintained accurate patient records and lab reports in the hospital LIS (Lab Information System).
- Learned proper biohazard waste disposal protocols and infection control practices.

TECHNICAL SKILLS

Laboratory Techniques: CBC, ESR, Blood Grouping & Cross-matching, Coagulation Studies

Biochemistry: LFT, KFT, Lipid Profile, Blood Glucose, HbA1c, Electrolytes

Microbiology: Gram staining, Culture & Sensitivity, FNAC smear preparation

Haematology: Peripheral Blood Smear, Platelet Count, Reticulocyte Count

Instruments: Sysmex Analyzer, Cobas Analyzer, Centrifuge, Microscope, Autoclave

Software: LIS (Lab Information System), MS Excel, Hospital HIS

Standards: NABL, NABH, ISO 15189 Quality Standards, Biomedical Waste Management

EDUCATION

B.Sc. Medical Laboratory Technology (MLT)

Rajiv Gandhi University of Health Sciences, Bengaluru | 2018 – 2021 | 72%

Diploma in Medical Laboratory Technology (DMLT)

Karnataka Para-Medical Board | 2017 – 2018 | First Class

CERTIFICATIONS & TRAINING

- Phlebotomy Training Certificate – St. John's Medical College, Bengaluru (2021)

- Blood Bank Operations Training – Indian Society of Blood Transfusion (2022)
- Basic Life Support (BLS) – American Heart Association (2023)
- NABL Internal Auditor Training – Quality Council of India (2023)

ACHIEVEMENTS

- Recognized as 'Best Lab Staff' – Manipal Hospital Internal Awards, Q1 2024
- Contributed to NABL re-accreditation audit with zero non-conformances (2023)
- Reduced average STAT report turnaround time by 15% through workflow optimization
- Topped DMLT batch with 89% marks – Karnataka Para-Medical Board (2018)
